

Photon Energy Group is a group of companies with a shared mission: making clean energy, clean water and clean environments accessible to everyone.

Photon Energy provides comprehensive solutions that support the generation of clean energy and the integration of renewables into the electrical grid. **Photon Water** offers water treatment and management solutions, and **Photon Remediation** deploys advanced technology to remove contamination from all environments.

A publicly traded company operating in over 15 countries across two continents, we combine a global outlook with localised expertise.

Since our founding in 2008, we've expanded to a team of more than 330 employees around the world. And we're committed to fostering a culture of shared values and sense of purpose as we continue to grow.

Junior Accountant

We are looking for a motivated **Junior Accountant** to join our Hungarian Finance team. In this role you will be responsible for bookkeeping, reconciling bank statements and managing our balance sheets. This is a great opportunity for graduates looking to develop their career in accounting and finance.

Main Responsibilities

- ▶ Reconciliation of bank statements and general ledger accounts
- ▶ Reviewing Accounts Payable and Accounts Receivable subledgers, ensuring completeness of monthly-closing transactions
- ▶ Preparation of financial reports, including balance sheets, income statements, and cash flow statements
- ▶ Documentation of balance sheet statements and Profit and Loss statements
- ▶ Supporting tax filing preparation and ensuring compliance with tax regulations
- ▶ Cooperation with senior accountants and Accounting and Consolidation Manager to ensure financial processes are efficient and accurate

Key Requirements

- ▶ We are open to fresh graduates of Economics, Accounting or related field with up to 2 years of experience

- ▶ Hungarian language at native level for regular communication with our external provider, and English at a communicative level for daily internal communication within the organisation
- ▶ User knowledge of Microsoft Office – especially MS Excel
- ▶ Analytical and logical thinking
- ▶ Diligence, reliability, ability to work with detailed information

Our Offer

- ▶ An interesting job at a fast-growing global organisation in the promising field of renewable energy
- ▶ Indefinite, full-time employment contract
- ▶ The possibility of an immediate start
- ▶ A company culture built on trust and diversity
- ▶ 20 days of vacation
- ▶ Flexible working hours and occasional home office upon manager's approval
- ▶ Regular team-building and corporate events
- ▶ Opportunity to take part in workshops and courses to support personal and professional development
- ▶ One CSR day per year to dedicate a working day to a non-profit organization aligned with the Group's mission and values
- ▶ Meal allowance (SZÉP card)
- ▶ Medical package (PrivateMed Next health insurance)
- ▶ Laptop and mobile phone (corporate package for unlimited calls and sms + data with the possibility of transferring your own phone number)

If you are interested in the position and fulfil the above requirements, please apply online or send your CV to careers@photonenergy.com.
